Dear Paul,

Enclosed is a copy of a letter from Mr. Horton requesting a council review of the decision suspending his registration.

In response to his request, a committee was appointed by the Council President Dr. Zane E. Eargle. The committee met on Monday May 16, considered the material presented and rendered their decision. Mr. Horton was not present and was not asked to meet with the committee.

In accordance with B.S.A. guidelines, I am forwarding a copy of the committee decision, (letter to Mr. Horton), for your review. Please make recommendations on its content, format and any changes that you may wish to suggest. Upon receipt of your approval or recommendations we will correspond with Mr. Horton regarding our decision.

I sincerely appreciate your assistance in helping to resolve this matter.

Registration Suspension

Dear Hal:

I enclose a letter which Gray prepared for Zane Eargle's signature in the above-captioned matter. Gray dictated this letter last week before leaving for vacation so he has not reviewed it. Please read it carefully.

Gray said he would rather not attach a copy of the review procedures since Appendix E indicates that the appeal rights should simply be set out in the enclosed cover letter from the president.

Thank you for your attention.

Sincerely,

Sybil J. Joyner,
Secretary to G. Gray Wilson

Re: Registration Suspension

Dear Mr. Horton:

In response to your request for review of the suspension of your registration, a review committee of three volunteers with Old Hickory Council was appointed to consider your appeal. The charge of this committee was to investigate this matter, consider the evidence presented and then determine whether the suspension of registration was appropriate under the standards set forth in Article VIII of the Rules and Regulations of the Boy Scouts of America, No. 4992. The question before the committee is to decide whether the applicant "possesses the moral, educational, and emotional qualities" necessary to afford positive leadership to youth. A negative determination should not be considered a finding that the applicant is not a decent citizen.

The record before the committee consisted of your criminal record, your handwritten letter to Hal Murray and other information gathered by or on behalf of the committee during its inquiry into this matter. Based upon its review of this matter, the committee determined that the decision of the council to suspend your registration should be affirmed, and your appeal is therefore denied.

All information presented to the committee as well as its deliberations and decision are confidential. You have the right to appeal this decision to a regional review committee within thirty (30) days of the date you receive this notification. Should you desire to pursue an appeal, you should write to the regional president, [Hal Murray to insert name and address] explaining why you believe the decision of the council review committee is in error.

Thank you for your attention.

Sincerely,

Zane E. Bargle, President

RE: John Edward Horton

I was informed by telephone on Monday, April 25, 1988, that a Webelos Leader in Cub Scout Pack 921, John Edward Horton, was a felon, convicted approximately ten (10) years ago for an offence against a child.

I visited the records department of the City Police Department and requested a check of criminal records. I was given a copy of the attached arrest record.

I then consulted with the Council President, Dr. Zane Eargle, and prepared a letter of suspension for Mr. Horton. I then consulted with Council Attorney, Gray Wilson, informed him of the facts and my intended action. Mr. Wilson agreed with the decision to suspend registration.

I contacted Mr. Horton by telephone on Tuesday, April 26, and set an appointment to meet in my office on Wednesday, April 27.

Mr. Horton came to my office at approximately 4:20 P.M., Wednesday, April 27. In the presence of Field Director, Mr. Lucien Rice, I presented Mr. Horton with the letter of suspension, a registration refund check in the amount of \$5.00, and a copy, (Appendix D), Applicant Procedure for Requesting Review of Decision Denying Registration. I then explained the review procedures available to Mr. Horton.

Mr. Horton was visibly angry and expressed his feelings concerning this decision.

Dear Mr. Horton:

After careful review, we have decided that your registration with the Boy Scouts of America be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Zane E. Eargle
